NJ-GMİS CORPORATE PARTNER BENEFİTS

NJ-GMİS provides organizational structure and networking opportunities, with activities that enhance coordination between state, county and local governments as well as with public school agencies. Corporate membership is your opportunity to be a part of this collaborative network.

Share Product Updates & Marketing İnitiatives with Our Members

Once per year, NJ-GMİS will distribute an email campaign to the membership on behalf of the corporate member.

Co-Host An Event with Us

Corporate members have the opportunity to apply to co-host an educational event with NJ-GMİS. This is a fantastic opportunity for companies to connect with members as the sole vendor in attendance.

Co-Host Coffee with NJ-GMİS Session

Corporate members have the opportunity to co-host a Coffee with NJ-GMİS Session a Virtual Round-table Series for Public Sector Technology Professionals.

Inclusion in our Corporate Partner Directory

Corporate members will be included in the NJ-GMİS Corporate Partner Directory that is made available to all members. When members are in search of a product or solution, this directory is often their first stop.

One year of corporate membership is included with all sponsorships of our annual conference.

ABOUT NJ-GMİS

NJ-GMİS is an association of New Jersey government technology leaders and a state chapter of GMİS İnternational.

OUR MİSSİON

To provide a forum for the exchange of ideas, information, and experiences that foster members' knowledge of technology developments to better serve their organizations.

We accomplish this by providing our members with collaboration tools, networking opportunities, educational programs, and scholarships.

Our members work in cities, towns, counties, municipal authorities, K-12, higher education, and school boards from across the state.

OUR GOAL

The goal of NJ-GMİS is to provide our members with the collaboration, networking, learning opportunities, and resources they need to foster a strong technology environment to support their organization.
