About TEC 2027

TEC is NJ GMIS's flagship annual conference and New Jersey's premier gathering of public sector technology professionals. Over two full days, you'll hear from top industry keynote speakers, participate in hands-on training, connect with peers from across the state, and engage directly with technology vendors who serve the public sector. TEC 2027 welcomes everyone from tech support professionals to elected officials and everything in between — from local municipalities, counties, state agencies, and K-12 school districts. Whether you are on the front lines of IT or in a leadership and decision-making role, TEC has something for you.

★ Stay the Night — Make the Most of TEC 2027

We strongly encourage attendees to stay overnight at the Crowne Plaza Princeton on Tuesday, April 13. A discounted room rate of $119 per night (plus taxes and fees) has been arranged exclusively for TEC attendees. Staying overnight means you can fully participate in the Day 1 evening reception, awards dinner, and social event — some of the best networking opportunities of the entire conference — without having to worry about the drive home. Day 2 starts fresh with breakfast, a keynote, and a full day of programming. It's two days of professional development, networking, and fun — make the most of it!
NJDOE overnight stay, pending approval.

Conference Agenda

Full session details and speaker announcements will be released as they are confirmed. Below is the conference format for both days. CEUs will be requested.

Day 1 — Tuesday, April 13

- **Breakfast & Registration** — open networking with attendees and vendors
- **Keynote Session** — featured keynote presentation
- **Vendor Break** — visit the exhibit hall and connect with technology vendors
- **Panel Session** — industry panel discussion

Day 2 — Wednesday, April 14

- **Breakfast** — open networking to start the day
- **Keynote Session** — featured keynote presentation
- **45-Minute Expert Sessions** — focused sessions led by industry experts on topics relevant to public sector IT (topics TBA)
- **Vendor Break** — visit the exhibit hall

- **Lunch** — shared meal with attendees and vendors
- **Vendor Speed Dating** — a fast-paced, structured way to meet and connect with multiple vendors; a great opportunity to ask questions and follow up throughout the conference and at the evening reception
- **Training Session** — hands-on professional development (topic TBA)
- **Exhibit Hall Reception** — close out Day 1 in the exhibit hall with light refreshments and open networking
- **Evening Reception & Awards** — dinner, drinks, awards presentations, and a fun social event open to all attendees; stay overnight and make the most of this evening!

- **Sessions Continue** — additional programming
- **Lunch** — shared meal with attendees and vendors
- **Panel Session** — closing panel discussion with industry speakers
- **Raffle Prize Drawings** — conference raffle prizes awarded
- **Conference concludes at 2:45 PM**

Registration

TEC 2027 registration covers the full two-day conference including all sessions, meals, breaks, and the evening reception on Day 1. Register early to take advantage of early bird pricing.
